Re: The *affordable* program where *nobody* gets left behind...

Dear Reader,

I'm going to keep this short and to the point. If you are looking for a truly *affordable* program with *unlimited* income potential...where *nobody* is left behind...then look no further. I hate to use the old cliché "*in the right place at the right time*", but in this case, it is *absolutely true*!

The market place has been ready for an *affordable* program that *actually works* for a long time now! No more sending cash or money orders to 3, 4 or 5 names on a list. If you think about it, how many of those programs have lasted more than only a few months?

Quick-Fire is run by a *professional company* that has been in business going on 7 years now. They will gladly accept cash, checks, money orders or credit cards! They make it *easy* to join and provide you with *professional service*...and *everything* you need to get started making money fast!

You don't have to wait to get paid! They send out checks weekly...every Friday. Most importantly, you get paid from the same people over and over each quarter...true residual income! It never made any sense to join one time pay only programs, do all the work and then *only get paid* one time.

How many of those programs that you saw a year ago are still here today? They quickly fall to the wayside once people understand that the programs have *no* residual income...which means they are *doomed for failure* and will never last! Quick-Fire is designed to be there for the long haul.

Remember also, a program does *not* have to be expensive to bring in big money! Quick-Fire was designed to be *affordable* for the average person! It appeals to the masses. It's much easier to duplicate than the expensive programs. You'll get paid *more money* while spending less!

As you probably know, "*being first*" gives you a big advantage when it comes to mail order programs. Right now is the *perfect* time for you to get started building *your* residual income...an income that will keep growing and paying you for years to come. There will *not* be a better time than right now!

The company has given us the freedom to build our teams however we see fit. Some people like to build wide. You can do that if you want. I personally like to *reward people* who join with me. When you join my team, I'll be placing the next person I sign up *under you* to help *you* get started fast!

Now it's time to take action! Choose the option that's best for you. Join at the \$39 *economy* level. Or, join at the \$69 level and take advantage of the Auto-Rotator for as long as positions are available. Once the Auto-Rotator is full, it will *no longer* be available. It's best if you *lock in* your position *now*!

Fill out the enclosed flyer and rush it to Quarterly Connection! This will secure you the highest possible position and get you started on your way to taking full control of your financial future! I hope to be welcoming you to my Quick-Fire team soon!

Most Sincerely,

David Neimeier
